

The Bonkers Christmas GONK Trail

Ho, ho, ho! Late one night, Santa was flying his sleigh over Felixstowe checking who was naughty or nice. Unfortunately he accidentally dropped **ten knitted Christmas Gonks** and **twenty presents**.

Now he needs your help to find them.

Each Gonk and Present has a coloured ribbon. Search the shops and businesses in the town centre from Great Eastern Square to the top of Bent Hill - and **match the Gonks and Presents with the same ribbon colour together.** Remember there are ten extra sneaky presents with ribbon colours that do not match... so watch out!

Write down the locations below, together with your name and contact details, then drop your completed form in the box at The Wool Baa (Hamilton Road). **Closing date for entries is 2pm on Christmas Eve (Friday 24 December).** Have fun!
